attention of Government to letter
No. 460 dated 11th March 1842 from
the Secretary to the Chief Commissioner
to the address of the undersigned in
which Sir Richard Meade was -
pleased to hold out a hope that
the question of relieving the Municipality
of a portion of the cost of Police
would be considered before the
preparation of the Budget for
43/44 but nothing has since been
done in the matter - Although this
Municipality has at several times
moved the Government on the subject

or improvements be taken hand of
others with a like revenue in other
parts of India)

4. In view however to supply the
above loss I would beg to point
out that whilst Shop Keepers, Owners

Rules charged a Tax, numerous
individuals such as Advocates,
Native Doctors, Hotel Keepers,

with propriety be brought under
Schedule C and charged a License

dated 29th June/81 to your address,
applied for sanction to the imposition
of a Wheel and Toll Tax under the

requirements of the Municipality to
which no reply has as yet been received.

3 An additional provision of Rs 50 is made under printing & Contingent charges It was necessary to do owing to the enhanced increase of Expenditure in last year.

Remarks by the President on the
Estimated Receipts

A Under head "Licenses" on Tobacco and "Buil leaves" the increase of Rs 1400, calculated on the average collections of the 1st six months of the current and previous years has been entered over the estimate of the previous year.

B. The statement No I exhibits an increase of only Rs 4,237 under head Tax on Houses, Buildings & Lands, whereas the actual increase as per present revision, including the assessment of the new limits, amounts to Rs 7,557 over the last years revision. The difference is explained as follows:—

The amount of the last revision viz Rs 14,500 as entered in the statement, includes Rs 3,320 the amount proposed to be levied & collected from all shops - Buildings irrespective of shop tax - This Levy, of course, has been excluded from the estimated amount under the

the

the head of "Tax on Buildings" as the shop
 in has been separately revised instead of
 reducing the shop rates in consideration
 of the Shop-keepers having to pay an
 assessment for their Shop Buildings
 as was done in last year

Balance as per last	
years revision	11,180
- As per recent revision	15,837
	4,657
Add assessment of the	
new limits	7,900
Difference	7557

C. Under head Tax on shops Rs 4,793
 has been entered over the estimate of the
 last year. This has been the result of
 the recent revision effected in the Mohaturfa
 Shop tax as above stated.

D. Notwithstanding the decrease
 made in the rate viz Rupee 1 on every
 first Loom in consequence of the weavers
 having to pay a house assessment, the
 statement exhibits an increase of Rs 1,303
 over the estimate of last year. In which
 year it was proposed to tax every 1st
 Loom at Rs 2½ and all others at 1 Rupee,
 hence the figure of last year exhibits a
 large decrease

E. An increase of Rs 70 only is shown
 under head "Oil mills".

F. Under head cart tax an increase

of 322 has been entered owing to the cases
belonging to the agriculturists. There is also
been an increase under the order of Government
G. Rupees 115 to be realized from —
Mokhatung's Tax in the new Councils has been
entered

H. Under head Fees from Liquor
Licenses an increase of Rs 748 is shown
This is owing to an additional Refreshment
Room & an extra arrack-shop to be opened
in Dobb's Hill & excess sales of Liquor
over 55 Gallons.

I An increase of Rs 117 has been
entered over the estimate of last year
under head "Muzul Lands."

J. An increase of Rs 462 is shown —
under head "Market Tax on account
of the completion of the Fish Market
and other Markets proposed to be —
constructed for the sale of Fish

K. Under head "Sale of Houses &
Lands" & "Other Items" an increase
of Rs 50 is respectively entered

L. Under Refunds & Recoveries a
decrease of Rs 250 is shown. The income
under this Item has been over estimated
last year

M. Under head "X Taxes" & "X Towns"
an increase of Rs 100 is, respectively shown.

c 4 An increase of Rs 976 against
Items nos 7, 9, 10, 11, 12, 14, 15, 16 & 17 and
a decrease of Rs 170 against Items 1, 3, 5,
6, 8, & 13, under "Miscellaneous" are shown.

C. This Municipality hitherto received
a moiety of the Land Revenue realized
within Municipal Limits from the Town
and Civil & Military Station. As the Town
has been separated from the latter an
increase of Rs 1,194 has been entered -
over the estimate of last year. The estimated
income from Lands being Rs 5,000.

(Signed) L Ricketts

President
Town Municipal
Commission.

Amendments

Resolved that the increase caused
by imposition of House Tax by Municipal
Regulations be merged into a reduction
